Cattle Pens Removed.

Mr. Gates, Superintendent of the Distillers Trust Company in Kentucky, is having the cattle pens at the Silver Creek distillery removed, and is replacing same with stall dryers. The stall will be compressed and the output of Kentucky has been doing, several years in advance, to an English syndicate. After going through this process the stall is fed on the ground without waste.

Something About the Danville Fair Next Week.

The new Danville Fair Association will hold its first fair on August 30, 31 and Sept. 1. Premiums are offered for all products of the home and farm, as at old-fashioned fairs, adding modern attractions to please all. There will be a balloon ascension every day. Professor Mack makes "daring" parachute leaps, and on one afternoon will introduce his sensational feat of being fired from a cannon in midair, afterward descending in his parachute. He will also be one of his ascensions be accompanied by his wife. Such attractions as these come high, but the association is determined to have the best.

It should be borne in mind that the big \$100 saddle stall will be kept open until the evening before it is to be shown. This, with the big roadster ring, will bring a good lot of horses.

The premium list for this fair is one of the very best in the State, reaching nearly \$2,000. Send to C. E. Woods, this office, for a catalogue.

Richardsen-Praher.

Mr. J. Quiden Richardsen, of Jackson, and Miss Lucy Leather, of this city, were married at Lexington last Wednesday. The bride is a daughter of Rev. Wm. Prather, this city.

Still County All Right.

A correspondent from Still writes the CLIMAX as follows:

"Still is solid for Goebel and Democracy, and the Lexington abolition, 'goody' Brown and 'granny' Johnson, etc., will get little comfort here."

Mad Dog Rampant.

Last week John Hazelwood, of near Berea, was bitten by a mad dog, and he at once went to Rockcastle and applied a mad dog to the wound with the desired effect. August is the month of mad dogs and dog bites.

For Councilman.

Mr. Charles Jacobs is announced for Councilman from the Court House precinct. He is too well known to require words of praise at our hands. He is an honest, industrious citizen, and feels entitled to the support of the people, irrespective of party, creed, or color.

Three Darkened Homes.

In this city, on Sunday, Mr. and Mrs. Charles Green's infant son died.

At Valley View, on Sunday, Mr. and Mrs. H. C. Carpenter's two-year-old son died of scarlet fever.

On Sunday, the infant of Mr. and Mrs. Ernest Parrish, of Red House, died.

More Electric Lights.

Two more are lights have been placed on Main street, one situated over the band stand in front of the court house and one near the L. & N. depot. As this will be a season of public speaking the arrangement will please both the band boys and the public. This makes five are lights now on the street.

A Gold Mine in a Hen.

Mr. C. G. Forbes, the local gardener, says he has a cucumber half 58 feet in circumference. The seed was planted July 1. He also asks us to say that he has a Buff Cochins hen that has laid 165 eggs in 54 months, exactly one a day, no two eggs being deposited in the same place—and the eggs are still coming.

Big Republican Guns in Town.

U. S. Senator W. J. Deboe, Attorney General W. S. Taylor, Republican candidate for Governor, and several other lesser lights stopped over here Monday night enroute to London, where Mr. Taylor opened the campaign yesterday. They travel on a special train, which contained only two other passengers when it passed Red House.

Deputy Postmaster.

Mr. Wallace evidently intends to give the public good service having added to his force of assistants, Mr. Charles Rowland, one of the most efficient clerks in the county. Mr. Rowland has been for two years associated with Messrs. Jack and D. R. Freeman in the shoe business, and knows everybody and is liked by all who know him.

Capt. John D. Feeny Enters.

In this issue Capt. J. D. Feeny makes formal announcement of his candidacy for Chief of Police. Capt. Feeny is well known to all of our people, having been a member of the local force since 1879 and if elected to this important trust will bring to the duties of the position an unflinching courage and an incorruptible integrity. aug23-24

Republicans Nominate.

The Republicans last Saturday nominated Mr. Eliza C. Millon for County Judge and Mr. W. T. Harris for Representative. They also instructed for Hon. John Bennett for Senator from this district. The convention was happy and harmonious and declared the issue of the campaign to be goebelism. As their candidate for Governor is afraid to face Mr. Goebel on the stump the issue may be shifted to cowardice and demagoguery.

Robbed at the Brown Convention.

A gentleman from near Red House, who attended the Brown Bolting Convention, was robbed while there, and he avows now, that as between a gang that steals money and one that steals a nomination for Governor, he is with the latter every time. He said he felt very guilty when he got into the bolting crowd, but when he lost his purse he felt a—sight sorer he hadn't staid at home.

Danville, Ky., Fair August 30, 31 and Sept. 1.

They Went and Saw, But Were Conquered.

Several of our most enthusiastic club members went to Paris last Saturday to show the club there how to shoot. Our boys returned alive that night, but that is all. The Paris boys treated them so good and beat them so bad that we are requested to give no names but simply say that Paris won everything, Richmond also shot. In September the Paris club will make a return visit when we will not only treat them as hospitably but perhaps allow them to beat us to boot.

Horse Still Captured.

Constantine Dozier met William Jones, colored, near Millon last Thursday and when the latter offered to sell him a fine mare for a small sum the Constable's suspicions were aroused and under the pretense of buying the horse Mr. Dozier accompanied Jones to Richmond where the negro was lodged in jail and confessed to the theft. The mare belonged to Nicoll & Thomas, of Lexington. Mr. Dozier has captured several horse thieves and is to be congratulated on his skill as a detective.

The Lost Cause.

Miss Florence Barlow, daughter of the late Milton Barlow of this city, is here in the interest of "The Lost Cause," the illustrated monthly Confederate War Record, published in Louisville, of which Mrs. (General) Basil Duke is editor, and Miss Barlow assistant editor and manager. The journal is now beginning its third year, and is very popular among the survivors of the Lost Cause, for which it was appropriately named. The price is so low, 75 cents for twelve months, that everyone is able to receive it. The CLIMAX will receive subscriptions.

Mac Miller for County Clerk.

We are authorized to announce Mr. Malcolm M. Miller for county clerk, subject to the action of the Democratic party. In so doing a most excellent gentleman and Democrat enters the race and seeks endorsement at the hands of his party. He says he has carefully considered the loss of his entry in the race but that he has received so much encouragement that he is almost as sanguinary of success as any who have been longer on the track. Mr. Miller has a perfect party record, is competent to fill the position, and will make a grand race. He asks a fair consideration of his claims.

Poor Old Dispatch.

Another Madison county Democrat has fired a 13-inch gun into the Louisville Dispatch, as shown by this copy of his letter of recent date:

COVINGTON, KY., August 9, 1899.

DEAR SIR:—When your paper was first established I subscribed for the weekly and have been taking it regularly ever since. But I now find your tactics are what the Courier-Journal used four years ago, and in Bryan's race. As I was born, reared and have always been a true Democrat I have no use for a bolter or their sheet. You will please stop my paper.

Respectfully,
W. H. BATES.

Champion Spellers.

During the Teacher's Institute here an exciting spelling contest occurred that eventuated in the winning of two prizes by two lady teachers. The first contest was won by Mrs. A. J. Millon, who teaches the Maple Grove school. Her prize was a nice dictionary.

As Mrs. Minnie Crandall Turner was the last to sit down before Mrs. Millon won, they were asked to choose sides and try for two cash prizes \$2 and \$1.50. Mrs. Crandall won first and Miss Alma Whitlock second. The audience was highly pleased. One feature was the early turn-down of Prof. R. Lee Davis on the word "conquer." The way he fell down was a caution—conquering.

About a month ago my child, which is fifteen months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about twenty-five operations of the bowels every twelve hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Stumptown, Gilmer county, W. Va. SCOTT'S EMULSION

OF COD-LIVER OIL WITH HYPOPHOSPHITES

should always be kept in the house for the following reasons:

FIRST—Because, if any member of the family has a hard cold, it will cure it.

SECOND—Because, if the children are delicate and sickly, it will make them strong and well.

THIRD—Because, if the father or mother is losing flesh and becoming thin and enfeebled, it will build them up and give them flesh and strength.

FOURTH—Because it is the standard remedy in all throat and lung affections.

No household should be without it. It can be taken in summer as well as in winter.

SCOTT & BOWNE, Chemists, New York.

FAIR DEALING.

(Nicholasville Democrat.)

The Louisville Post, in its usual impartial (?) style, is out with a four-page supplement devoted to their interests of the Bowditch.

It is possible to do what Gobel was his promotion by force, fraud, and duplicity. It even upbraids Chairman Johnson for allowing certain delegates to vote in the temporary organization when there was not a semblance of reason given for throwing out the delegates.

It takes up the case of the delegates to the committee on credentials. By the report it will be seen that the delegations holding regular credentials were seated from almost all districts, and that there were more contesting Hardin delegations than any other.

The report recommended that the regular delegations outside of Louisville be seated. The post then admits that the minority report was defeated, but only in a sneering way does it admit the adoption unanimously of the majority report.

It then makes the statement that Chairman Redwine would not put any motion made by the Hardin delegates. One has only to see the delegates from Jessamine county, all Hardin men, to find out that this statement is false.

Hon. Willard Mitchell succeeded in having more motion put before the house than probably any other delegate present, and everybody knows he was a Hardin delegate with a vengeance.

Altogether, the Post's special is simply a rehash of what it has been dishing out to decent Democrats ever since the convention. It does not mean to say that fair-minded people, who love the truth, ought to get information from the lips of their own honest delegates rather than swallow and believe the distorted lies of bolting newspapers. Jessamine sent a Hardin delegation to the convention, all honorable men, and we are not afraid to let them say what we want to say. We are opposed to having our people from their conclusions from reading the columns of such bolting sheets as the Post or Dispatch.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D., "I was taken with a bad cold which settled on my lungs, coughed at and finally terminated in Consumption. Four Doctors gave me up saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones in heaven. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs, Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at Perry and Thomas Drug Store. Regular size 50c and \$1.00 guaranteed or price refunded.

NEW YORK FASHIONS.

Strings are appearing, both on hats and bonnets.

Petticoat bodies very pretty, made in the form of a fan, and are worn in front with a knot of ribbon. The arm size is edged with lace, as is the V-shaped opening at the neck.

A new style of toothbrush fits on the finger by means of a cylinder, which carries the bristles. Every tooth can be easily reached, and there are no hard corners to hurt the gums.

Expensive frocks shown by Best & Co. for dainty Misses, are of French pique. This is a beautiful material, and as good for service as it is lovely to look upon.

White pique strewn with colored polka dots makes neat and smart-looking shirt waists.

The newest shades in nu's veiling are Wedgewood blue and watermelon pink. These shades also appear in light-weight cashmeres, with bright Persian borders. Such stuffs make ideal gowns for cool summer evenings.

The return of the Empire gown will necessitate the possession of an Empire corset. The R. & G. corset of this variety meets every requirement of the situation, and is the invariable choice of artistic and careful women who have learned to skillfully combine good health with a graceful appearance.

The most effective frocks to wear with Eton jackets are of heavy guipure line lined with white satin.

White chambray gowns are the ones most in favor for outdoor sports.

EVERETT CARLE.

Hamilton Clark, of Chaucery, Ga., says he suffered with itching piles twenty years before trying DeWitt's Golden Medical Discovery. He was completely cured him. Beware of worthless and dangerous counterfeits. Perry & Thomas.

The Georgetown Sentinel publishes a letter from Hon. John W. Yerkes, of this city, in which Mr. Yerkes denies saying that Gobel would carry Boyle county. That, however, does not alter the fact that Mr. Gobel will carry the county. Boyle, it is true, has been in the doubtful column for some time, but this year there is a local candidate for a high State office on the ticket, the party is united and every Democrat has made up his mind to vote and work for the ticket. Conditions of that nature make defeat almost impossible.—Dunville Advocate.

Kodol Dyspepsia Cure cures dyspepsia because its ingredients are such that it can't help doing so. "The public can rely upon it as a master remedy for all disorders arising from imperfect digestion, indigestion, flatulency, heartburn, acid stomach, nausea, Sick Headache, Gastralgia, Cramps, and all other ailments of the digestive system." Prepared by E. C. DeWitt & Co., Chicago.
